

WHO WE ARE

The Community Music Project was established in 2019 by Rev. Juhee Lee to share God's love with the underserved and to transform our community through music.

We are multi-cultural, multi-racial, and multi-generational. We not only offer free music lessons but also healing through music for the vulnerable members of our community.

Healing Through Music

Our project reaches out to vulnerable groups such as people in nursing homes, addiction support groups, the homeless, and those in the hospital by offering them healing, recovery, empowerment, and hope through music.

The Community Music Project is a Certifying Organization that has been granted authority to award the President's Volunteer Service Award to volunteers for participation in the Music Program.

Please join us for our Summer Music Camp for Healing Concert in August

Musicians of all ages and instruments (including Strings, Piano, Voice, Woodwinds & Brass) are invited
